

General Rules

Please respect the following rules during your visit:

- Keep all information confidential; obligation to secrecy applies.
- Observe posted signs, e.g. regarding hygiene or access restrictions.
- Stay in familiar, designated areas.

- Get familiar with the location of emergency exits and the assembly point outside the building.

- The defibrillator is located in the reception area of the building.

- Follow the safety instructions of authorized personnel, e.g. evacuation workers.

- Comply with all training and coordinate your obligations in accordance with the current Safety and Health Protection Plan for construction sites as commissioned by Johnson & Johnson MedTech.

- Do not start your work prior to receiving instruction on site.

General Restrictions

Please observe the following restrictions during your visit:

- Entering restricted areas is not allowed.

- Smoking is only permitted in designated smoking areas.

- Photography and filming are strictly forbidden on our premises.

- The consumption of food and beverages is only allowed in designated areas.

- Bringing hazardous materials of any kind into the building is prohibited.

- Carrying and consuming alcoholic beverages and narcotics is prohibited.

Heart Recovery

Welcome

to Johnson & Johnson MedTech | Heart Recovery

Abiomed Europe GmbH

Neuenhofer Weg 3
52074 Aachen, Germany
Telefon: +49 (241) 8860-0

Even if you visit our premises for only a short period of time, we kindly ask you to follow our safety procedures for your personal protection. Please feel free to contact your designated contact should you have any questions regarding safety.

There is a public Park & Ride parking lot at “Westfriedhof“ on Vaalser Straße. From there, it is a 5-minute walk to ABIOMED, or you may take the bus in direction of Vaals and get off at bus stop “Stepenberg“, right in front of the ABIOMED building (one bus stop).

Arriving by Car

Please keep any emergency access and spaces, entrances, and exits clear at all times.

Parking

There is only a limited number of visitor parking spaces available in front of the building. Please be prepared to use public parking in the surrounding area if necessary.

In addition, we have a parking garage on Neuenhofer Weg/Vaalser Straße. There is limited public parking available in the lower level.

Access to the Building

Please check in at our reception located at the main entrance before your first visit.

You will receive a visitor's badge to be carried visibly during your stay. A valid photo ID must be presented for identification purposes.

After check-in, your designated contact person will meet you and escort you through the building. After your visit, please return your visitor's badge at the reception and check out.

Employees are not allowed to grant unknown persons access to the building. Please understand that employees must comply with this rule.

RESPONSE TO EMERGENCIES

Remain calm at all times

1

Report the emergency

Phone: **112**

- WHERE is it happening?
- WHAT is happening?
- How many are injured?
- What kind of injuries?
- Wait for questions!

2

First-Aid

- Secure the scene of accident
- Administer first aid if possible
- Follow instructions

3

Further instructions

- Direct rescue services
- Remove curious bystanders

RESPONSE TO FIRE

Remain calm at all times

1

Report the fire

Press the fire alarm button or call: **112**

- WHERE is it happening?
- WHAT is happening?
- How many people are injured?
- WHO is reporting?
- Wait for questions/instructions!

2

Get to safety

- Go directly without running
- Follow designated escape routes
- Assist others in need of help
- Do not use the elevators
- Go to the assembly point
- Follow the instructions of the fire department

3

Attempt to extinguish the fire

- Close windows and doors
- Switch off electrical devices
- Use the fire extinguisher
